**MEMORANDUM FOR COMMANDERS, DEFENSE CONTRACT MANAGEMENT
DISTRICTS**

**SUBJECT: DCMC Memorandum No. 97-50, Cancellation of Defense Contract
Management Command (DCMC) Policy Letter 94-15 (POLICY)**

This is a POLICY memorandum. It expires when policy is incorporated in DLAD 5000.4. Target audience: All DCMC employees.

DCMC Policy Letter 94-15 implemented the On-Time Delivery policy wherein shipments presented in delinquent status are not accepted without review and approval by contracting officers. Since that policy was implemented, DCMC has established the ability to measure contract delivery performance based on the original due date. This new capability allows us to retain discipline in the contract surveillance process while eliminating the undesirable delays associated with DCMC Policy Letter 94-15.

Effective immediately, DCMC Policy Letter 94-15 is canceled. Cancellation of this policy letter does not change the contractor's obligation to deliver items on time or the requirement for DCMC to take appropriate action when contracts are delinquent. This change will be incorporated in the next release of DLAD 5000.4, Contract Management. Questions concerning this memorandum may be directed to Mr. Ron O'Daniell, Product and Manufacturing Assurance Team (AQOG) at (703) 767-3365.
